Re: Dkt. No. 96

16 Plaintiff Ellis has filed a motion asking to be relieved from deemed admissions  
17 resulting from her failure to respond to defendant PCA's discovery requests in a timely  
18 way. Dkt. No. 96 at 1. Ellis states in her motion that on March 8, 2016, she served  
19 discovery responses on PCA, including responses to PCA's Requests for Admission. *Id.* at
